according to section 16 of Act No. 22/1997 Coll., on technical requirements for products and on changes and amendments to some Acts, as amended

CERTIFICATE OF ACCREDITATION

No. 92/2026

Výzkumný Ústav Železniční, a.s.
with registered office Novodvorská 1698/138b, Braník, 142 00 Praha 4
Company Registration No. 27257258

for the Inspection Body No. 4056
VUZ Inspection Body

Scope of accreditation:

Type A body inspection activity, independent assessment of the risk management process in the field of railway system for the subsystems rolling stock, energy, infrastructure, track command control and signalling, on-board command control and signalling, maintenance and safe system integration to the extent as specified in the appendix to this Certificate.

This Certificate of Accreditation is a proof of accreditation issued on the basis of assessment of fulfillment of the accreditation criteria in accordance with

ČSN EN ISO/IEC 17020:2012

In its activities performed within the scope and for the period of validity of this Certificate, the abovementioned Accredited Body is entitled to refer to this Certificate, provided that the accreditation is not suspended and the Accredited Body meets the specified accreditation requirements in accordance with the relevant regulations applicable to the activity of an accredited conformity assessment body.

This Certificate of Accreditation replaces, to the full extent, Certificate No.: 555/2023 of 20/10/2023, and/or any administrative acts building upon it.

The Certificate of Accreditation is valid until: **24/02/2031**

Prague: 24/02/2026

Signed in the Czech original:
Tomáš Mikuta on 24/02/2026

Tomáš Mikuta
Director of the Department
of Certification and Inspection Bodies
Czech Accreditation Institute
